LOBMEYR CRYSTAL PRICE LIST 2026 W USD (imperial)

On the following pages you find the core product range of LOBMEYR crystal. To get a general overview please browse through our product information/catalogue sheets - there is one available per article group - or visit our website. You will find the article groups, which the catalogue sheets refer to, in the table of contents below.

The price list is valid until March 31th, 2027.
Quoted retail prices in USD do not include VAT.

The code in the "S"-column informs about the availability of the product:

- 1 ... short term availability
- 2 ... stock item
- 3 ... delivery on order (please ask for lead time)
- 4 ... out of production

Please mind, that we are facing severe delays in delivery.

The "P"-column next to it, shows the short cut for the Lobmeyr black box matching this article. You find this short cut punched into the bottom of the box. The boxes can be ordered for free and will be sent folded with the shipment.

Measurements are given in inches, volumes in ounces filled to the rim.
